

You are summons to a meeting of  
Appleton Le Moors Parish Council  
on Thursday 9th May at 6:30 in the Village Hall

**Annual Parish Meeting** - Open to all residents of the parish  
Update on planning for quarry (Jon, Geoff)

### **Playing Fields**

Last Annual meeting, playing field committee asked us to pay their insurance, so far not happened this year.

### **Fracking**

Fracking group not been quite as active as previously.

### **Quarry**

Friday 17<sup>th</sup> May 10.30 am the PC have been invited to a meeting at the quarry by Mark Hill of NYM Parks. PC are all unavailable so Jonathan and Geoff will attend and report back to the PC.

Parks taking enforcement action against George Winn Darley as he hasn't fully completed the legally required work to put the quarry back as it should be. The only person from the NYM at the original meeting was Mark Hill where this was all agreed. In law the enforcement cannot happen if there is a planning application in progress. The Parks have decided not to take him to court as that may result in a fine which would then mean no further action would be needed by George. If the parks follow enforcement option then George could get a custodial sentence. The officers are not aware that they are not committed to the original planning agreement as nothing can be done to develop without say so of the Secretary of State.

Bottom part of the quarry is potentially best land for common grazing, this is the area that hasn't been done. Jonathan wants PC to review their thoughts on the quarry, because if it goes to a public enquiry the PCs view will count. Was the planning application a deliberate attempt to overturn the legal agreement? Interestingly the plans with caravans have no connection to the actual land layout.

## **PC Minutes**

19.1 Receive apologies

None

19.2 Declaration of interest

None

You are summons to a meeting of  
Appleton Le Moors Parish Council  
on Thursday 9th May at 6:30 in the Village Hall
