17.26 Update from chair

- Fay Snowdon coming to 2nd November meeting
- End of June Gary went to Bentley anti fracking film

17.27 Financial update

Alison has OK'd books and VAT should be easy to claim back. Account total £6400 (of which 2k in savings)

17.28 Correspondence

Lastingham, John Stockton got in touch with Rob Castle, grants have been left for students for years, there should be a representative from Appleton PC.

Geoff Sherwin having issues with the placement of the new BT broadband box, this has been resolved.

NYCC have a new messaging service out, PC has heads up but anyone can sign up to

NYCC have a new PC portal however Appleton le Moors are not on the e-list to sign up, Gary will contact

17.29 Planning

We should be notified by e-mail, then mail. All agreed the site is hard to use

17.30 Charitable donation/gift

Last done 2012 this comes from part of precept. This will be re-instated

17.31 State of footpaths complaints about sheep faeces. Originally had arrangement with Jim Bailey that sheep should be moved through the village each day, however this is not happening. Gary will write to him, because of complaints from villagers and tourists. Suggestion on PC notes that villagers should clear their own footpaths.

17.32 Benches we need 2 benches, others need a clean and oil, this will be put this out to the community to volunteer.

17.33 Land swap and Spaunton Hollow development, there have been several e mails from Jan (land manager) for George Winn-Darley, wanting to have a meeting with the PC. She is trying to keep land swap

and quarry development separate. The land swap proposal will be sent to the secretary Sec of state in October, and the planning application will be submitted next year.

17.24 Matters for next meeting
