Planning application Hamley house change to extension, slightly smaller footprint, no objections.

Spaunton Quarry 2 Applications

1. Change of use of building currently derelict.
2. Extra log cabin, would make 6 in total 10 touring caravans (originally passed for 5 chalets no caravans).

Several Parishioners attended the meeting with extra information about these applications and were proposing to oppose these planning applications and were wanting support from the PC. Their worries were that should the change of use be accepted then the original decision from the planners to return the parts of the quarry not yet remodelled would be circumnavigated and this would not have to happen. PC agreed to support the Parishioners opposed to the planning application.
