

You are summons to a meeting of  
Appleton Le Moors Parish Council  
on Thursday 17th Nov 2022 in the Village Hall at 6:00pm

22.19 Apologies -Jim

22.20 Declaration of interest  
None

22.21 Minutes of last meeting (18th Aug 2022)  
Approved and signed.

22.22 Update from chair

- dog bin bracket has arrived but damaged, will be repaired and fitted.
- Precept - new arrangement a full payment in April, instead of 2 installments.
- Poor state of footpaths is being chased by Jim
- Need additional signatures for cheques.

22.23 Street lights – Some parishoners don't want them all night. The advice from NYCC, change to part of the night. Energy costs likely to triple so change to LED sensible. Cost £400 + VAT per light ie £3000 total, includes timer as well as light sensor. Those ornate lights at Manor Farm and the top of the village would not be able to have a timer fitted. Jim to put a note around to Parishioners. Pay back time with lower energy consumption costs likely to be 5 years.

22.24 Pond - update from – David

Applied for rural community grant of £1400, to do a survey. After that can get contractor to do works. Possibility of connecting to storm drain via sludge removal tank. This would need overflow pipe. Jim spoke to G W-D and this overflow
